Business in Motion

The ZEEKR 009 redefines business travel with luxury, innovation, and sustainability. Ideal for executives, it offers advanced tech, seamless connectivity, and top-tier safety. Travel in comfort and style while maximizing productivity on the move. A premium electric solution for the modern professional.

Sofaro First-Class Airline Seats in Soft Nappa leather, equipped with Eames Lounge Chair mode — engineered for first-class comfort that lasts beyond the drive.

Ventilation and massage functions for both first and second-row seats — delivering continuous comfort and relaxation for every passenger.

Second-row seats with Individual Foldaway Tables* — designed for seamless work moments on the move.

The concealable 17" OLED Roof Screen with 3K resolution turns the cabin into a private video-conferencing space — so meetings stay sharp, productive, and uninterrupted.

*Only available for Ultra-Luxury variant.

Your Family Room

The ZEEKR 009 is perfect for family adventures and leisure drives, offering spacious comfort, smart entertainment, and top safety features. With smooth electric performance and ample room for everyone, it turns every trip into a premium experience. Travel together in style, comfort, and peace of mind.

Up to 7.4 m² of interior space means more than enough room for everyone — whether it's family journeys or first-class travel for every guest.

Triple-row child seat anchors with four ISOFIX interfaces — providing secure, flexible, and worry-free protection for families.

30 YAMAHA Surround Stereo Luxury Speakers, including 8 Seat Headrest Speakers — delivering rich, immersive sound for a truly cinematic music experience on the go.

8.6 L Temperature-Controlled Refrigerator, adjustable from -6°C to 50°C — keeping drinks chilled or meals warm, perfectly on demand.

Complete Protection

720° All-Round Safety Armor delivers comprehensive protection with 7 Airbags, a reinforced 10-Gang Battery Structure, and a 360° Collision Warning System — engineered to protect from every angle.

Triangular Double A-Pillar Architecture enhances structural strength, improves safety performance, and significantly reduces wind resistance for a quieter, more stable ride.

Single-Piece Die-Cast Aluminum Rear Structure increases rigidity and crash protection while reducing weight — strengthening safety without compromising efficiency.

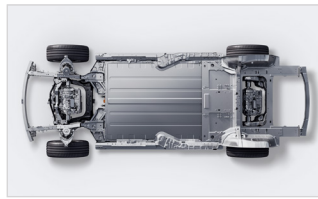

Full Advanced Driver Assistance Systems (ADAS), including Auto Lane Change, provide proactive support to assist driving and enhance confidence on every journey.

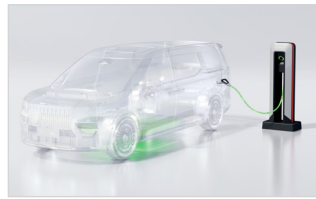

Ultimate Performance

WLTP range of up to 582 km for Luxury and Ultra-Luxury variants, and up to 604 km for the Executive variant — engineered to go further with confidence and ease.

Dual-Motors delivering up to 450 kW, achieving 0–100 km/h in just 4.5 seconds — smooth, powerful, and instantly responsive.

116 kWh CTP 2.0 Battery, with DC fast charging from 10% to 80% in just 30 minutes — designed to keep you moving with minimal downtime.

Intelligent Magic Carpet Dual-Chamber Suspension with CCD Electromagnetic Vibration Reduction and CST Comfort Braking — delivering a composed, refined ride across every surface.
